

## Invitation by the “Section Social Neuroscience” for a “Social Event” on 17.09.2021

Dear all,

It has been a couple months since we started the “[Section Social Neuroscience](#)” headed by Christoph Korn at the Department of General Adult Psychiatry (Heidelberg University Hospital).

True to the name of the new section, we would like to invite you to a “Social Event” on 17.09.2021 to meet people from local groups and institutions. We will provide an overview of our ongoing and planned research in the field of Social Neuroscience. The Social Event is going to have three parts and you are invited to join as many parts as you like.

All interested PhD students and postdocs are invited to introduce their ongoing work in short talks (2 to 10 min with or without slides, whatever works best for you). The goal is to get discussions started in a relaxed and informal setting. If you are interested, please contact Koen Frolichs ([Koen.Frolichs@med.uni-heidelberg.de](mailto:Koen.Frolichs@med.uni-heidelberg.de)) or Lisa Doppelhofer ([LisaMarie.Doppelhofer@med.uni-heidelberg.de](mailto:LisaMarie.Doppelhofer@med.uni-heidelberg.de)).
